About Us

Meihui Plastic Electronic Technology Co., Ltd.

Meihui Plastic Electronic Technology Co., Ltd. is a comprehensive toy product enterprise that integrates toy design, molding, production, assembly, processing customization, sales, and after-sales service. Mainly engaged in the development of plastic toys, resin/vinyl/PVC toys, electronic toys, and blind box toy. The main business methods include OEM, free brand development, and foreign trade OEM production. We have passed multiple certifications and tests such as BSCI, ISO 9001, FAMA, Intertek, etc. The company was established in 2013 and has rapidly developed into a multi-functional modern factory in a few years: with a total area of over 25000 square meters, over 2500 employees, 40+ production lines and 80+ robotic arm injection molding machines. The products are sold to Japan, Canada, Germany, the United Kingdom, the United States, Southeast Asia, North America and other regions. We have cooperated with numerous well-known brands such as Bandai, Disney, Universal, BP, SEGA, etc. Meihui has gained recognition from the industry with its "quality first" business philosophy, integrity, and strength.
